FROM THE CHAIR

\*\*\*\*\*

I wish to encourage our membership to make plans to attend the first joint meeting of the Georgia Health Sciences Library Association and the Florida Health Sciences Library Association on April 24 - 26, 1985, at Jekyll Island. We have an excellent program planned.

We do not have a State Directory of Health Sciences Libraries. I would like to know if the membership would be interested in the GHSLA initiating this directory, and would you buy it at a reasonable cost? Please write to me and give an opinion.
