

Georgia Health Sciences Library Association *Legacy Scholarship*

*Dedicated to the legacy of former health science library professionals;
Who exemplified excellence and professionalism in service.*

Purpose

The Legacy Scholarship was established to provide assistance to a student enrolled in a library and information studies program or paraprofessional interested in the health sciences. The individual must be a current student attending an accredited program with a minimum of 9 earned credit hours. The scholarship will cover registration for the Annual GHSLA meeting, one nights lodging, up to one CE, two years of membership dues.

Eligibility Guidelines

An applicant must be a permanent resident of Georgia (defined as one whose voter's registration is in Georgia and who has a Georgia driver's license or equivalent). The applicant must be a regular standing candidate in an accredited information/library science program.

Procedures

The application packet consists of:

- Application form
- Transcript from the school you are currently attending. (Unofficial is acceptable)
- A statement (300-400 words) discussing the applicant's interest and/or experience in health science libraries and the contributions he or she hopes to make to the field of librarianship.
- One letter of recommendation from a faculty member (may be email to the Chair)

Send the complete packet to Amy Allison, Chair, Scholarship Committee, at amy.allison@emory.edu.

The packet must be received by **March 3, 2017**.
