BULLETIN

FROM YOUR GBH SCHOOL OF NURSING LIBRARY

We would very much appreciate any source that you might have to supply the following periodicals. I have obtained quite a few missing issues through the Medical Library Association Exchange, but many have never been available.

Our subscriptions afford information not just for our school, but for the hospital personnel, and for all the other Health Science Libraries in the Metro area, in the same way that we obtain articles from those libraries.

Any gift is tax deductible, and the discovery of a missing magazine we've owned, but found in some corner, will be rewarded by a sincere "Thank you", if not by the government.

Thank you,
Sue Elkins

Your local librarian
